**IN THE UNITED STATES PATENT AND  
TRADEMARK OFFICE**

In re application of:      Camble et al.                      Group:      2186  
Serial No.:                      10/034,518                      Examiner:      Tuan Thai  
For:      **SYSTEM AND METHOD FOR SECURING DRIVE ACCESS TO MEDIA  
BASED ON MEDIUM IDENTIFICATION NUMBERS.**

1.      This action is responsive to amendment filed January 09, 2007. Claim 9 has been cancelled. Claims 1-8 and 10-30 are now allowed.

**REASONS FOR ALLOWANCE**

2.      The following is an Examiner's Statement of Reasons for Allowance:

        The prior arts of record do not teach or suggest, alone or in combination, **all** the limitations of the independent claims of the current invention (claims 1, 14 and 22). Claim 1 references a "method for securing access to a data medium"; claim 14 references "a method for securing access to data media in a particular partition of a partitioned data library"; claim 22 references a "partitioned data library". The discussion of the

reasons for allowance shall be directed to claim 1 in which the Examiner shall designate as the primary invention in this application; however, the reasons for allowance will also apply to all other indicated independent claims (claims 14 and 22). The prior arts of record do not teach nor suggest recording an identification number assigned to each medium in at least a portion of a data library, commanding at least selected data transfer element in the library to only accept media having particular ones of the identification numbers; and particularly, the prior arts of record do not teach the ejecting the medium from a data transfer element in response to the identification number not being one of the particular ones of the identification numbers. In light of the foregoing, claims 1, 14 and 22 of the present application are found to be patentable over the prior arts.

Claims 2-8, 10-11; 15-21 and 23-30 further limit the allowable independent claims 1, 14 and 22. These claims are therefore allowable for the same reason as set forth above.

Any comments considered necessary by Applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
